Criterion 7- Institutional Values and Best Practices

7.1.1 Institution has initiated the gender audit and measure for the promotion of gender equity during the last year . Describe the gender equity and sensitization in curricular and co-curricular activities, facilities for women on camps, etc.,

Response

Creating the right kind of gender-sensitive environment leads to mutual respect regardless of gender. The college has initiated measures for creating awareness on a range of gender-based issues and promoting empowerment. Gender sensitization was handled effectively by various speakers who opened up new vistas and perspectives of gender equity. The main goal was to raise awareness of the need to build a society that supports and appreciates women and helps them get ready for the workforce and social environment.

Safety and Security

1. Uniform dress code; ID card
 2. CCTV Surveillance Security personnel, gated campus
 3. Anti-Ragging Cell, Grievance redressal Cell, Anti-Sexual Harassment Cell and Discipline Committee
 4. Ramps and handrails for especially abled students
2. Counselling for students, to help cope with stress
3. Common Rooms - a space for recreation, off campus Hostels, Separate Staff room for men and women, Sick room, Canteen, Auditorium, Reading room, Indoor & Open ground, Multygym Incinerators in hostel

WORKSHOP REPORT

Workshop on self-development, sustainability and building confidence

The Association has been committed to empowering the lady students on self-development, sustainability and building confidence. A workshop on 26th June 2023 was organized by the convenor Smt. G Vimala on preparation of eco-friendly products and responsible consumption towards protection of the environment. Dr Renuka Salunke in a hands-on experience with the lady students prepared paper bags and bio-degradable products.

The next session on building confidence and communication skills by Smt. Otilie Anban Kumar tapped the latent potential of the students.

Restrooms: The College has separate Common Rooms for Boys and Girls. The Girls' Common Room is situated on the first floor. The girls' washroom is attached to their Common Room. For boys, there are separate toilets within the campus. Besides separate Departmental rooms, there is a common room for all teachers with separate attached wash rooms for male and female teachers.

The Girls Common Room of College has a beautiful room with sitting arrangements and has toilets and wash room. Two extra toilets are there for the girls outside the common room. The Girls Common Room has tables and chairs. The Girls Common Room has two Almiri's for storage of various items of the girl students. Normal drinking water are available for the girls.

There is a spacious Girl's Common Room. The common room for girl students is provided with personal lockers, resting chairs and tables.
