

✓ COMBINATION OF SUBJECTS

B.Sc. III and IV SEMESTER

1. LANGUAGES

1. Basic English (Compulsory)
2. MIL ...Select any one of the subjects, Kannada, Hindi, Sanskrit, Urdu or additional English

2. OPTIONAL SUBJECT

Choose any of the following optional combination

- Physics, Chemistry, Mathematics
- Physics, Chemistry, Electronics
- Physics, Mathematics, Computer application
- Chemistry, Botany, Zoology
- Chemistry, Botany, Industrial Microbiology
- Chemistry, Botany, Bio-technology
- Chemistry, Zoology, Bio-technology
- Chemistry, Zoology, industrial Microbiology

✓ COMBINATION OF SUBJECTS

B.Sc. I, II, III and IV Semester

I. LANGUAGES

1. Basic English (Compulsory)
2. MIL ...Select any one of the subjects, Kannada, Hindi, Sanskrit, Urdu or additional English

2. MANDATORY SUBJECTS

Semester I	: Indian constitution
Semester II	: Human rights & environmental studies
Semester III	: Personality Development
Semester IV	: Computer Application

3. OPTIONAL SUBJECT

Choose any of the following optional combination

Physics, Chemistry, Mathematics

Physics, Chemistry, Electronics

Physics, Mathematics, Computer application

Chemistry, Botany, Zoology

Chemistry, Botany, Industrial Microbiology

Chemistry, Botany, Bio-technology

Chemistry, Zoology, Bio-technology

Chemistry, Zoology, Industrial Microbiology

XII

B. Subject Combinations: ✓

Candidate can choose any combination of subject to pursue B.Sc. Course.

COMBINATION OF SUBJECTS

1. B.Sc. I, II, III & IV Semester

A. LANGUAGES:

- i. Basic English (Compulsory)
- ii. MIL Select anyone of the following Subjects Kannada, Hindi, Sanskrit, Urdu or Additional English.

B. MANDATORY SUBJECTS :

- i. Semester : Indian Constitution
- ii. Semester : Human Rights and Environmental Studies.
- iii. Semester : Personality Development
- iv. Semester : Computer Application

C. OPTIONAL SUBJECT :

Choose anyone of the following optional combinations

- i. Physics, Chemistry, Mathematics.
- ii. Physics, Mathematic, Electronics.
- iii. Physics, Mathematics, Computer Science.
- iv. Chemistry, Botany, Zoology.
- v. Chemistry, Botany, Industrial Microbiology.
- vi. Chemistry, Zoology, Industrial Microbiology.
- vii. Sericulture, Chemistry, Botany / Zoology.
- viii. Biotechnology, Chemistry, Botany / Zoology.

2. M.Sc. COMPUTER SCIENCE:

A Post Graduate course in Computer Science affiliated to Kamatak University, Dharwad has been started from 2003-2004 leading to M.Sc. Degree in Computer Science. There is a good response from the students and there are well qualified and experienced teachers and well equipped lab.

ELIGIBILITY:

B.Sc. (Inf.Sci), BCA, B.E, B. Tech (any branches) or any science graduate who has studied Mathematics / Statistics at 10+2 level.

3. ADD ON COURSES:

Add on courses have been introduced in the following subjects.

- 1) Biotechnology
- 2) Information Technology
- 3) Sericulture
- 4) Computer Net-Working using Net Sim.
