

# KITTEL SCIENCE COLLEGE, DHARWAD

## CONSTITUTION OF STUDENT REPRESENTATIVE COUNCIL (SRC) 2022-23

**Associations:** There will be 2 categories of Associations

1. Academic
2. Non-Academic

### GENERAL NORMS:

1. The Association will have a Convener nominated by the Principal for the Academic Year 2016-17.
2. For selecting the Secretary and Joint Secretary for all the non-academic associations, the candidate must have passed in all the subjects of his / her I/II/III/IV Semester Examination (as applicable).

**I. ACADEMIC ASSOCIATIONS:** Following are the Academic Associations.

- a. Degree Associations
- b. PUC Association

### A. GUIDE LINES FOR DEGREE ASSOCIATIONS:

1. Following Associations will function under Degree Associations.

Sl.No.	Name of Association	Subjects included
1.	Physical Science Association	Physics, Chemistry, Mathematics, Electronics, Computer Science
2.	Natural Science Association	Chemistry, Botany, Zoology, Biotechnology, Industrial Microbiology
3.	Languages Association	English, Kannada, Hindi, Sanskrit, Urdu

2. Each Association will have a Secretary / Joint Secretary from B.Sc. V semester and two Joint Secretaries from B.Sc. III Sem. and B.Sc. I Sem. respectively. The selection of Secretary / Joint Secretary will be made on the basis of the following guidelines.

- i. He / She should have passed in all the subjects at B.Sc. I, II, III & IV Semesters.
- ii. He / She should have scored highest number of marks in their respective subject at PUC II/ B.Sc. II Sem. / B.Sc. IV Sem.
- iii. For Language Association the Secretary is selected from B.Sc. III Sem. on the basis of highest marks scored in B.Sc. II Semester Examination.
- iv. If he / she is a secretary of another Association or if he / she is not willing then next person in the order of merit is given a chance.
- v. The Secretary is responsible for the activities of Association and SRC.
- vi. The Joint Secretary will be responsible for the activities of the respective Association only.
- vii. The Associations will have to carry out the academic activities throughout the academic year.  
(Note: Since Chemistry is common for both Physical and Natural Science Associations, 2 Secretaries and 4 Joint Secretaries should be selected. 1 Secretary and 2 Joint Secretaries should be selected from Physical Sciences subjects combination and 1 Secretary and 2 Joint Secretaries should be selected from Natural Sciences subjects combination. However, mode of selection is same as applicable to other subjects)

## **II. NON-ACADEMIC ASSOCIATIONS:**

- |                    |                           |
