

7.1.3 Quality audit on environment and energy regularly undertaken by the institution.

The institutional environment and energy initiatives are confirmed through the following

- Clean and green campus initiative

Clean and green campus initiative

The landscaping of the college is worth seeing and reflects an aesthetic sense. The institute has a canopy of trees and plants to make the environment pollution free and safeguard health. The lawns and the trees provide shade and a beautiful ambiance. Internal communications on the campus like circulars and information for the students are sent through e-mail or online modes. We are moving towards a paperless office. Electronic gadgets are preferred to transfer and store official data and information. The library and office are equipped with efficient software.

The NSS unit of our institution organizes campus cleaning programs, and tree plantation programs like Swachhata Pakhwada and Van mahotsava regularly creating awareness about the issues of the environment among the students and measures needed to protect it. It also sensitizes the students to take part in the environment and sustainability related activities. Youth Red Cross and other councils of the Institute have also extended assistance in the tree plantation activities inside the college campus.

Plantation programs & Van Mahotsav

Our College NSS Volunteers participated in the rally.

Inaugurating the Swachhta Pakhwada programme.

Our College NSS Volunteers participated in the rally starting from Karnataka Arts College.

Potted indoor plants are kept in the corridors and around the campus.

The internal pathways are lined with trees and they are properly maintained by the campus maintenance committee

Beyond the campus environmental promotion activities

- Our college NSS Unit organizes an NSS Special camp every year for 7 days in adopted villages. This camp is attended by 50 students every year with staff members. During the camp students perform different social activities like Swachhata Abhiyaan, tree plantation, street play, awareness programs, cleanliness programs, etc. Through these activities, students have a social connection with the villages.
- World Blind Walk program on “Donating Eyes” was organized on 12.10.2017.
- A health and hygiene awareness rally at Managundi village was organized by Youth Red Cross Wing on 10.02.2019
- Campaign on drinking water hygiene was organized at Urdu Government high school, Navalur on 12.02.2020
- Street play on the importance of voting was organized at Managundi village on 16.02.2019
- Rally on International Day against drug addiction and illicit trafficking on 26.09.2019 was organized.
- Coronavirus Myths and Facts campaign was organized on 03.03.2020 at KLE School, Rayapur by the Youth Red Cross wing.
- Blood donation camp and Coronavirus Myths and Facts campaign was organized at Jodalli village on 09.03.2020
- Donate Blood and Serve Humanity campaign was organized at Shruti PU College, Dharwad on 22.09.2020 by the Youth Red Cross wing.2017-2018
